HD-4 TRAILER + DUMP TUB

HD-4 TRAILER + FLAT BED

HD-4 TRAILER + LOG BUNK

THE OFF-ROAD DUMP TRAILER WITH INTERCHANGEABLE HAULING OPTIONS

Looking for a multi-purpose dump trailer that can handle any job with ease? Look no further than our Tough Terrain HD-4 Dump Trailer! With four hauling options to choose from, this trailer can transform to meet all your needs. Whether you need a powerful log hauler, a spacious poly tub for transporting tools and materials, or a flat bed with two loading surfaces, this trailer has got you covered.

Boasting an impressive 2,000 lb. capacity limit, you can load it up with ease and tackle heavy-duty tasks without a hitch.

The walking beam suspension ensures excellent maneuverability over rugged trails, large rocks, and steep terrain while maintaining a stable load. With over 13 inches of ground clearance, this trailer easily conquers the toughest terrain.

Our Tough Terrain HD-4 Off-Road Dump trailer lives up to its name, providing you with unbeatable strength and durability on the toughest jobs. Don't settle for a trailer that can only do one thing – choose the Tough Terrain HD-4 and get the job done right, every time!
